Building Writing Power

| Use STRONG verbs | Your writing will improve if you choose verbs that will have **maximum impact**. Use your Thesaurus to replace **weak** verbs with **strong** ones. For example:  *Sam walked home.* This reveals nothing about Sam... Replace “walked” with a strong verb, and see the results.  

*Sam stumbled home.*  
*Sam wandered home.*  
*Sam limped home.*  
*Sam bolted home.*  
*Sam meandered home.* |
