'Hippocrates- A Biography' 2008, *Britannica online encyclopedia*, Encyclopedia Britannica, viewed 5 October 2014, <http://www.britannica.com/5462/hippogrates>.

## **WEBSITES:**

There are **4 different types of websites** –

1. **Whole** website – personal author
2. **Whole** website- authoring body, organization or group
3. Document **within** a website- personal author
4. Document **within** a website – authoring body, organization or group

**Numbers 3 and 4** mean that there is a **separate ARTICLE** within a particular website – therefore, there are **TWO** titles- the **“Title of the article” (inverted commas)**, and the ***Title of the Website ( italics)***

1. **Whole website** with Personal Author:

Hawkins, S 2005, *Ancient Times*, viewed 5 October 2014,  
<http://www.ancienttimes.co.uk>

2. **Whole website** with authoring body- organization, group etc

Ancient History Association 2011, *Facts about Ancient China*, London, viewed 6 October 2014,  
<http://www.ancienthistoryassoc.org.uk/ancientchina/htm>.

3. **Separate document within a website- personal author.**

Anderson, C 2009, ‘ Legacy of Archimedes’, *Famous people of Ancient Greece*, viewed 4 October 2014  
<http://www.archimedes/peopleofgreece.edu.uk/htm>.

4. **Separate document within a website** – authoring body is **organization or group.**

British Museum 2000, ‘Legacy of Pythagoras’, *Ancient Greek Mathematicians*, British Museum, London , viewed 5 October 2014,  
<http://www.britishmuseum.org.uk/pythagoras/index.htm>.
